

REACH DECLARATION OF CONFORMITY

CONCENS A/S supports the objectives of REACH (Registration, Evaluation, and Authorisation of Chemicals no. 1907/2006), and is aware of the obligations associated to a company to comply with the directive including informing our customers whenever substances from the candidate list is found in our products.

In accordance with the duty to communicate information pursuant to Article 33 of the REACH Regulation we hereby declare the required information on SVHC's in Concens A/S products.

The European Chemicals Agency (ECHA) has published on its website a list of substances of very high concern (SVHC) which meet the criteria listed in Article 57 of the REACH Regulation and have been identified in accordance with Article 59 of the REACH Regulation.

We are required to inform customers of any products that contain SVHC's in a concentration above 0.1% w/w.

A number of our products contain Lead which is included in the Candidate List with effect from 12st April 2023. The concentration of this substance in our products is however in all cases significantly less than 0.1% w/w.

Our products are therefore fully compliant with the requirements and restrictions of the REACH Regulations regarding SVHC's.

The information contained herein is based on REACH declarations from our sub-suppliers and is to the best of our knowledge accurate and reliable as of the date of publication. However, Concens does not assume any liability for the accuracy and completeness of such information
