EXCELLENT ELECTRIC ACTUATORS

Software installation guide:

Please view instructions in below link or QR code, before downloading configuration tools to ensure proper installation.

https://www.youtube.com/watch?v=SVZeejdZlro&list=PLxLd-Jxr03ZpZM60lDucMccL0WC2w57Ru&index=3

Important! Insert the USB-Dongle first <u>BEFORE</u> installing the software to your PC. Failure to do so could result in the configuration software not running correctly on your PC.
